

RECYCLE YOUR ELECTRONICS &
YOU COULD WIN A FLAT SCREEN TV.*

**FRIDAY
4.20.18**

8:00 a.m. – 2:00 p.m.

**THE BILTMORE
COURTYARD**

817 West Peachtree Street
Atlanta, GA 30308

To celebrate Earth Day, Georgia Natural Gas®, 11 Alive®, eWaste/ePlanet, Midtown Alliance and The Biltmore are sponsoring a special event. Everyone is invited to bring in old electronic equipment (i.e., computers, printers, fax machines, TVs, toasters, radios, microwaves, cellphones and all battery operated items) for recycling, and register to win a flat screen TV*! Our planet will thank you, and you could win a new world of enjoyment. Midtown Alliance will have information about carpooling, MARTA®, GRTA and other commuter options to reduce the number of cars traveling on Georgia's roads.

For more info, contact: communityrelations@georgianaturalgas.com or visit gng.com.

* No purchase or donation necessary to enter or to win. See official rules at www.gng.com/earthdayrules. One winner will be selected by random drawing conducted by GNG, whose determination will be final. Open to those who register at the event and who are 21 years of age or older. Prize: one 40 inch color flat screen television (ARV: \$280). All trademarks and logos noted herein are held by their respective owners. © 2018 Georgia Natural Gas. All Rights Reserved.
