

WARM HOMES. WARM HEARTS.

This year, more than ever, individuals are finding it difficult to pay their utility bills as a result of job loss brought on by the COVID-19 crisis. Before the cold winter months truly set in, please consider warming hearts and homes this winter by donating to the Heating Energy Assistance Team (HEAT). Because of you, hundreds of low-income Georgians will receive the help they need to pay their heating bills.

Donations are distributed to qualified residents through the Georgia Division of Family and Children Services. Visit heatga.org to donate online. Or, fill out the form on the reverse side and send it with your tax-deductible contribution made payable to HEAT.

Since 2000, Georgia Natural Gas® has provided more than \$3 million in energy assistance and our customers have donated nearly \$178,000 to HEAT. On behalf of HEAT, thank you for your generosity!
